

Dear Applicant

Thank you for your interest in the Marketing positions at The Questors.

The Questors Theatre in Ealing is one of the largest amateur theatres in Europe. Founded in 1929, The Questors has a reputation for achieving the highest standards in performance and theatre production. We perform around twenty plays a year and host visiting productions and other events.

As well as exploring the mainstream of modern and classical world drama, The Questors has always been respected as champions of new or rarely performed plays, and for encouraging experimentation.

Our Youth Theatre is one of the largest in the country. We offer a range of training courses and workshops for anyone aged rising 6 to 18. In addition, our Student Group is a two-stage part-time course for those aged 18+, which aims to provide a thorough grounding in acting.

The Questors has a wide range of performance, rehearsal and meeting spaces for hire. We also hire costumes, furniture and props from our stores.

Our 1500-strong membership has a wide range of opportunities to become actively involved onstage, backstage or front-of-house.
